UPDATES – CAR RIDER DROPOFF/PICKUP

2024-25 School Year

Canton College Prep Families,

We will be making a few changes to our traffic patterns to avoid congestion on Cleveland Ave. NW during arrival and dismissal. Please see these adjustments/reminders below:

ARRIVAL

Scholars will not be let into the building until **7:45 am**. Due to the number of scholars being dropped off, we are asking that you pull down 2nd street to the designated drop off area, where a staff member will be standing. After dropping off your scholar, please pull forward as quickly and safely as possible to open up the space for the next parent in line. There is no parking for any reason on Cleveland Ave. NW (in front of the school).

DISMISSAL

Scholars will not be dismissed until **3:30 pm**. Please plan to pick your scholars up in the afternoon at the corner of Dewalt Ave. & Tuscarawas so we do not block the flow of traffic on Cleveland Ave. Principal Lindsay will meet you as you pull down Dewalt Ave. so your scholar can be identified and safely escorted to your vehicle. There is no parking for any reason on Cleveland Ave. NW (in front of the school).

TRANSPORTATION CHANGES:

If you are picking your scholar(s) up from school, we are requesting that you call the main office with transportation changes **before 2:30 pm**. If you have not called the school to let us know that you will be picking your child up early, they will not be dismissed until 3:30 pm.

Thank you for helping ensure our families stay safe!

Yours in education,

Canton College Prep
