Dear Parents and Guardians,

It is my pleasure to welcome you to Canton College Preparatory School. As I begin my second school year as Principal at Canton College Preparatory School, I am energized and deeply committed to making a positive difference in the lives of your children. We will accomplish this by setting high academic expectations for all children and providing supportive systems to ensure they are met. By focusing on a positive school culture, setting high standards for teacher performance, increasing academic expectations for all students, and engaging the community, our goal at Canton College Preparatory School is that all students are on track for the next grade level.

We embrace the challenges of the future while we continue to cherish and celebrate the traditions of the past. Our remarkable staff, parents, and committed students come together to make Canton College Preparatory School a wonderful, unique place.

I encourage you to visit our website and become familiar with the handbook and code of conduct expectations. We welcome your involvement and participation in our great school and look forward to working with you and your student as we strive toward an academically successful 2025-26 school year.

For more information on things that we have to offer. Such as events, the family handbook, school calendar, academic updates, and other resources. Please visit cantoncollegeprep.org.
